

Prayer after Worship:

O God, Father of all mercy, we thank You unceasingly that You have brought us to the treasure of Your Word through the superabundant riches of Your grace. In that Word we receive the knowledge of Your dear Son, that is, a sure deposit for our life and salvation. You have kept all those who constantly hold fast in pure faith and fervent love until the end. We thus hope and pray, merciful Father, that You would preserve us and bring us to completion with all of the elect, being of one mind, and make us to be a like image of Your dear Son, Jesus Christ, our Lord and Savior. Amen.
